

EN9553

Naloxone Distribution / Giveaway Cabinet (10-Unit)

Health Departments and State Agencies are pulling out all the stops to try to increase access to Naloxone in at-risk populations. These indoor cabinets allow for easy access, a professional appearance and are vastly less expensive than "Naloxone Vending Machines".

This version holds 10 full boxes of Narcan brand Naloxone and is compatible with all other brands of Naloxone. It includes an 8.5 x 11 unfolded instruction sheet, 3D Purple Wall sign and an opioid overdose poster which details how to identify an overdose and how to use Narcan nasal spray.

**No Medication Included - We Sell Empty Cases/Cabinets and You Obtain Your Own Medication*

PRODUCT FEATURES:

- Back panel allows for very visible display of emergency kit (in box or individual doses)
- Comes with 800 Velcro Dots
- Boxes mounted using provided Velcro dots
- This system keeps you organized, no boxes falling all over the place
- The same metal construction you see in AED cabinets worldwide
- All metal cabinets include a 3D projecting sign you can hang above the cabinet
- Cabinet measures 17W" x 17L" x 4D" and will easily hold ten boxes of Narcan (20 doses)
