

Economy Grab and Go Allergy Emergency Kit Case (with Metal Hanger)

The same forward-thinking concepts of the Original Allergy Emergency Kit in a more affordable format. This high-quality resin case* uses high-quality mounting to conveniently store up to six allergy emergency auto-injectors. It mounts to any wall with included strong & high-quality fasteners, making it easy to hang with minimal damage to walls and no drilling.

This "grab and go" Allergy Emergency Kit case holds up to 6 EpiPen or Auvi-Q auto-injectors as well as a full-size instruction sheet. This version comes with a white metal wall hanger for easy wall mounting.

**No Medication Included - We Sell Empty Cases/Cabinets and You Obtain Your Own Medication*

PRODUCT FEATURES:

- The case can be quickly grabbed from the wall and moved to the point of need
- Holds 1 to 6 epinephrine auto-injectors and comes with laminated instructions
- Velcro included to hang auto-injectors neatly on one side of the case
- This case does not utilize a key or an alarm. We do not recommend any closures or seals that restrict immediate access.
