

EN10010

Choking First Aid Cabinet with Signage (Empty)

This cabinet is perfect for lunchrooms, cafeterias, restaurants, and anywhere food is served. With its slim design (only 4 inches deep) it won't obstruct pathways. Your choking first aid device is kept conspicuous with the clear window display, and accessible. Plus, when your LifeVac is used in an emergency, you can get a free LifeVac replacement, and easily swap it in and out of this cabinet.

**Cabinet sold empty. LifeVac or Choking Rescue Device not included.*
